

## When it comes to Medicare subsidies, are you getting FULL VALUE from your Pharmacy Benefit Manager or subsidy vendor?

When Part D Advisors reviews a new client's claims history and recalculates their previous subsidy filings, here are some typical ways we usually increase subsidy payments:

<b><i>Part D Advisors</i></b>	<b><i>Increased Subsidy Average</i></b>
Increased member approvals	5% - 10%
Improved matching of Rx claims to members	5% - 15%
Improved drug filtering	2% - 5%
Improved cash flow via monthly filings	3% - 4%
Actuarial costs savings	3% - 4%
Reduction of in-house staffing and support	5% - 25%

In addition, we constantly update our clients with the latest compliance and legal issues. Plus all records are safely maintained for any auditing purposes.

Part D Advisors is the nation's largest Retiree Drug Subsidy specialty vendor.
